## 2009 Service Plan – Early Registration Form

Dear Valued Customer,

Our entire staff at Pleasant Acres is working hard to meet all of your recreational needs, even in this very difficult economic time. Over the winter, we have been able to lower some of our overhead costs, which has allowed us to **lower the price** on our 2009 service plans. Plus, we are offering our normal early pay discount to any customers who sign up before February 28, 2009. For your convenience, there is a chart on the back of this page that shows the differences in the different service plans. For your convenience, we also have several popular services that are now available at a flat rate price on our a-la-carte menu. Feel free to call our office with any questions, we are glad to help.
